

Hi there!

Will you help us to build a better housing system by sharing some of your experiences of homelessness services?

We want to hear from you

Each year homelessness services across Melbourne's north and west survey people to find out how they are feeling about the homelessness services they receive.

This survey is anonymous.

You can complete the survey on paper, on your phone or online between **4 December 2023** and **3 March 2024**. Your worker can provide more information about the survey, and you can access it by scanning the QR code:

How to participate in our next survey

Survey

We understand that we are in a housing crisis. This year we would like to know:

- what we can do to assist you, when there is so little housing available; and
- what you would like us to ask the Prime Minister for?
